

LUNDIN BOWLING CLUB

ONLINE RINK DIARY BOOKING:

- All rink bookings must be made via the online booking system – access to the system on the Club website.
- The Committee will book rinks for Club matches (Friendlies and Leagues) and Scottish/District events.
- In all cases (except Club matches etc.), 2 rinks must be available for bounce games.
- REMEMBER – No rinks can be booked for bounce games.

RINK ROTATION:

- Rink rotation is essential to avoid excessive wear to the rinks.
- The rotation order for a day's play is displayed in the Changing Rooms, above the mats. That order **MUST** be followed and is to be read from left to right.
- If a rink number is not displayed, then that rink is closed and **NOT** available for play.
- The only exception to this rotation is when Club ties are being played (check the Rink Diary).
The rinks for those Club ties will be drawn from 1 to 5 inclusive, and that draw will be done **BEFORE** any bounce game rink allocation.

EXAMPLE:

1/2/5/6/3/4 is the order on display and 2 ties are booked.

Rinks 1 & 5 are drawn for the ties.

The rink order (**MUST** be followed) for the bounce games would be 2, followed by 6, 3 and 4, in that order.
