

More new members!

Lundin Bowling Club's success in recruiting new members continues!

There is no doubt that if membership numbers drop, eventually it becomes difficult to properly maintain a club. The inevitable costs of maintenance etc. will become a real problem. Unfortunately this can be seen in a number of Bowling Clubs in Fife who clearly are struggling to put out teams and to properly maintain their greens. We believe therefore that it is critical that we regularly hold membership drives to replace members who are no longer with us and hopefully to increase our total membership. For 2019, we decided to try something different, instead of holding an "Open Week" as in 2018, we held sessions over the weekend of 3rd and 4th May so that people could drop in and try bowls. This took the form of inviting the public who might be interested to come along to the Club to enjoy a special try bowls session. Our guests were given the opportunity to sample the game on the green before being taken into the Clubhouse where they were given tea or coffee. Some of our members were in attendance to welcome our guests and to discuss the promotional offer whereby people were entitled to five free coaching sessions, after which if they wished to join the Club they could have a half price subscription for 2019. This format again proved to be popular. We had a good turn out of people who came to the Club. Coaching was thereafter organised for 35 people, many of whom had never played bowls before. We were rewarded when 14 eventually joined the Club. It is only by carrying out membership drives annually that we can maintain a healthy membership.

Sponsorship

During the 2019 season we continued to benefit from the generous sponsorship provided by **Campion Homes Ltd.** The **Campion Homes Championship Competition** has proved to be a great success and is now established as one of the premier competitions in the Club. We benefitted from financial support including paying for adverts promoting the successful **Open Days.**

Juniors

The coaching of Primary School children continued during the 2019 season with some 25 youngsters regularly turning out each Monday. The highlight of the Junior season however was the 333 Challenge against the Juniors of Buckhaven Bowling Club. After some keenly contested games the final was won by the Lundin team of Lyall Smith, Jamie Thomson and Brenda Morrison. They did extremely well with both youngsters making important contributions Their victory was all the more creditable as they were up against older players. Next year's Challenge will be played at Lundin Links in September 2020.

Green Maintenance—As usual a big thankyou must be given to Colin Miller and his team for all their hard work on the green.
